ALLERGEN RISK ASSESSMENT AND CONTROL

We developed an effective method for allergen risk assessment which is the basis of retailer CoPs and has been included in Campden BRI Guideline 71. This method is also the basis of our allergen risk assessment training ensuring your staff understand not only the method but the expectations of customers and auditors

Option 1 – “Off the shelf” programme - 1 day course - £900*

Option 2 – bespoke course based on your own allergen risk assessment - £1100*

(A recommended addition to option 2 is a site visit to assess the effectiveness of your current allergen risk assessment and controls and tailor the training accordingly - additional cost = £600*).

UNDERSTANDING AND MAINTAINING GMP

A part classroom/part shop floor practical course (options shown below based on up to 15 people)
